

Rescinded Boil Water Notice

06/29/2026

On **June 25, 2026**, the **Texas Commission on Environmental Quality** required the **City of Frost** public water system, PWS 1750004, to issue a **Boil Water Notice** to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes. **The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of June 25, 2026.** If you have questions concerning this matter, you may contact Cliff NeSmith at (903) 875-9657. The City of Frost collected Bacteriological Samples, which tested negative for harmful bacteria.
